

# Lean On Me

**Harry Nilsson**

Lean on me, Lean on me  
You're the wind and I'm the sea  
Oh, lean on me, lean on me  
Love's the boat out on the ocean  
You're the wind that fills the sail

Oh, lean on me, trust in me  
You're the wind that moves the branches  
Lean on me, lean on me  
You're the earth and love's the tree  
Oh, lean on me

Love's an island, love's an ocean  
Lean on me  
Love's an island of emotion  
Lean on me

Oh lean on me, lean on me  
I will be there when you need me  
Lean on me, lean on me  
Love's the boat and you're the wind that fills the sail
