

# Blackened

[rocketclover](#)

Blackened is the end  
Winter it will send  
Throwing all you see  
Into obscurityDeath of mother earth  
Never a rebirth  
Evolution's end  
Never will it mend, neverFire to begin whipping dance of the dead  
Blackened is the end  
To begin whipping dance of the dead  
Color our world blackenedBlistering of earth  
Terminate, it's worth  
Deadly nicotine  
Kills what might have beenCallous frigid chill  
Nothing left to kill  
Never seen before  
Breathing nevermore, neverFire to begin whipping dance of the dead  
Blackened is the end  
To begin whipping dance of the dead  
Color our world blackened, blackenedOpposition

Population  
(Population)Lay to waste  
See our mother  
Put to death  
See our mother dieSmoldering decay  
Take your breath away  
Millions of our years  
In minutes disappearsDarkening in vain  
Decadence remains  
All is said and done  
Never is the sun, neverFire to begin whipping dance of the dead  
Blackened is the end  
To begin whipping dance of the deadFire is the outcome of hypocrisy  
Darkest potency  
In the exit of humanity  
Color our world blackened, blackened
