

# Outside

## Club Camarillo

I think I'm done with the sofa  
I think I'm done with the hall  
I think I'm done with the kitchen table, baby  
    Let's go outside in the sunshine  
I know you want to, but you can't say yes  
    Let's go outside in the moonshine  
    Take me to the places that I love best  
    So my angel she says, "Don't you worry  
    'Bout the things they're sayin', yeah  
        Got no friends in high places  
        And the game that you gave away  
        Wasn't worth playing"  
    Let's go outside in the sunshine  
I know you want to but you can't say yes  
    Let's go outside in the meantime  
    Take me to the places that I love best  
        And yes, I've been bad  
Doctor, won't you do with me what you can?  
    You see, I think about it all the time  
        Twenty-four seven  
    You say you want it, you got it  
    I've never really said it before  
There's nothin' here but flesh and bone  
    There's nothin' more, nothin' more  
        There's nothin' more  
        Back to nature  
        Just human nature  
        Gettin' on back to  
    I think I'm done with the sofa  
    I think I'm done with the hall  
I think I'm done with the kitchen table, baby  
    Let's go outside in the sunshine  
I know you want to but you can't say yes  
    Let's go outside in the moonshine  
    Take me to the places that I love best  
        And yes, I've been bad  
Doctor, won't you do with me what you can?  
    You see I think about it all the time  
        I'd service the community

But I already have, you see  
I never really said it before  
There's nothing here but flesh and bone  
There's nothing more, nothing more  
There's nothing more, let's go outside  
Dancing on the d train, baby  
When the moon is high  
And the grass is jumpin'  
Come on, just keep on funkin'  
Keep on funkin', just keep on funkin'
