Invisible Shelter

Sandra

(gad - cretu/hirschburger)(my invisible shelter)
(my invisible shelter)Feel me
I'm by your side
Can you feel me
TonightCan you hear me
I am cryin for you one more time
Can you feel me
InsideI couldn't make it right
And now you're out of sight
But there is something you should knowYour love is like a knife
It's driven deep inside
I'd rather die than let it goI never thought
This world was runnin out of love
I always thought
For me there's more than just enoughCan you feel me
Like a shadow I'm by your side
Can you feel me
Tonight
(my invisible shelter)Can you hear me
I am cryin for you one more time
Can you feel me
Inside
(my invisible shelter)A world in black and white
I learn to live my life
I gotta find a way without youI never thought
That I could ever hate myself
I never thought
That all I'd do was cry for helpCan you feel me
Like a shadow I'm by your side
Can you feel me
Tonight
(my invisible shelter)Can you hear me
Hear me
Feel me
Hear me
Can you feel me
Tonight
(my invisible shelter)
