Calibrated Love

Indiana

A perfect combination
Of fumes and I
I am the creator, so hold on tight
Tremble and surrender, behind these bars
I am the defender, from wide and far
Fill this invitation, the thought to lose height
I am the vibration, I come alive
There's no destination, I'm riding blind
I am the creator, of blurred lines
Blurred lines, blurredEmbracing the night, chasing the sign
It's in my vein, calibrated love,
Embracing the night, chasing the sign
It's in my vein, calibrated love,
Calibrated love
I sent an affirmation, no self-control
I am the sole victim, a fatal blow
There's no destination, I'm riding blind
I am the creator, of blurred lines
Blurred lines, blurredEmbracing the night, chasing the sign
It's in my vein, calibrated love,
Embracing the night, chasing the sign
It's in my vein, calibrated love,
Calibrated love, calibrated love
Calibrated love, calibrated love
Calibrated love, calibrated love
Calibrated love, calibrated love
Calibrated loveWhy don't you just ride with me tonight?
Why don't you just ride with me tonight?
Embracing the night, chasing the sign
It's in my vein, calibrated love,
Embracing the night, chasing the sign
It's in my vein, calibrated love,
Calibrated love, calibrated love
Calibrated love, calibrated love
Calibrated love, calibrated love
Calibrated love, calibrated love
Calibrated love
