

# Raise the Dead (feat. Cory Brandan)

## Le Castle Vania

Raise the dead!  
Raise the dead!  
Our death will let us live forever and ever.  
Raise the dead!  
Raise the dead!  
Our death will let us live forever and ever.  
Raise the dead!  
Raise the dead!  
Our death will let us live forever and ever.  
Raise the dead!  
Raise the dead!  
Our death will let us live forever and ever.  
Don't find something to, to live for.  
Find something to, to die for.  
Don't find something to, to live for.  
Find something to, to die for.  
Raise the dead!  
Raise the dead!  
Our death will let us live forever and ever.  
Raise the dead!  
Raise the dead!  
Our death will let us live forever and ever.  
Raise the dead!  
Raise the dead!  
Our death will let us live forever and ever.  
Raise the dead!  
Raise the dead!  
Our death will let us live forever and ever.  
Don't find something to, to live for.  
Find something to, to die for.  
Don't find something to, to live for.  
Find something to, to die for.  
To die for.  
To die for.  
To die for.  
To die for.  
To die for.
