Holding on and Letting Go

Ross Copperman

Is anybody out there?
Is anybody listening?
Does anybody really know?
If it's the end or the beginning,
A cry
A rush
From one breath
Is all we're waiting for
Sometimes the one we're taking
Changes every one before[Chorus]
It's everything you wanted, it's everything you don't
It's one door swinging open and one door swinging closed
Some prayers find an answer
Some prayers never know
We're holding on and letting goSometimes we're holding angels
And we never even know
Don't know if we'll make it,
But we know,
We just can't let it show[Chorus]
It's everything you wanted, it's everything you don't
It's one door swinging open and one door swinging closed
Some prayers find an answer
Some prayers never know
We're holding on and letting go
Yeah, letting goIt's everything you wanted, it's everything you don't
It's one door swinging open and one door swinging closed
Some prayers find an answer
Some prayers never know
We're holding on and letting go[Chorus]
It's everything you wanted, it's everything you don't
It's one door swinging open and one door swinging closed
Some prayers find an answer
Some prayers never know
We're holding on and letting go.
