

Stuck in the Middle

Mika

I sit and think about the day that you're gonna die
Your wrinkled eyes betray the joy with which you smile
I care to see my reason, I care to put your life in mine Lookin' at life from the perspective of a boy
Who's learned to love you but has also learned to grow
Could we make it better, stormy weather?
So hard to know Oh, oh, oh, is there anybody home?
Who will believe me, won't deceive me
Won't try to change me? Ah, ah, ah, is there anybody home?
Who wants to have me just to love me?
Stuck in the middle I look at you, you look at me, we bite each other
And with your bitter words you kick me in the gutter
But my troops are bigger than yours
'Cause you'll never stand my fight Ours is a family that's based upon tradition
But with my careless words I tread upon your vision
Are five kids better than one? Who doesn't like to be gone? Oh, oh, oh, is there anybody home?
Who will believe me, won't deceive me
Won't try to change me? Ah, ah, ah, is there anybody home?
Who wants to have me just to love me?
Stuck in the middle, yeah, yeah, yeah This is to my name
This ain't a greater plan
To break your heart of me I know that what I've started
Means that when we have parted
I can live in honesty Oh, oh, oh, is there anybody home?
Who will believe me, won't deceive me
Won't try to change me? Ah, ah, ah, is there anybody home?
Who wants to have me just to love me?
Stuck in the middle Stuck in the middle
Stuck in the middle
Stuck in the middle
