Animal City

Shakira

La la lei
La la lei
Why do all my friends now want to be your lovers?
Your family got bigger when they thought you were rich
And now like maniacs they scratch your back
Even when it doesn't itch
I want to figure it all, I want to figure it all out
I want to save you from
Save you from all the pain
Save you from the things that cause us pain
'Cause it's an animal city
It's a cannibal world
So be obedient, don't argue
Some are ready to fight you
It's an animal city
It's a cannibal world
So be obedient, don't argue
Some are ready to fight you, my love
They believe you now have everything you wanted
And once you have become a star, you got no right to bitch
But someday when you fail, they'll put you on sale
And buy you by the inch
But you're the real deal and Real is your middle name
You know sometimes I feel
I gotta earn every breath you take
Baby, never mind the rules we break
'Cause it's an animal city

It's a cannibal world
So be obedient, don't argue
Some are ready to bite you
It's an animal city
It's a cannibal world
So be obedient, don't argue
Some are ready to rip you right off
With you I feel safe, there's nothing to fear from us
Away from the fangs, the fangs of the world
I may be a coward but you are brave
And nothing seems so dangerous

'Cause it's an animal city
It's a cannibal world
So be obedient, don't argue
Some are ready to bite you
It's an animal city
It's a cannibal world
So be obedient, don't argue
Some are ready to rip you right off
Cannibal world
Cannibal world
Cannibal world
Cannibal world
So be obedient, don't argue
Some are ready to bite you
My love
