Animal City

Shakira

La la lei La la lei

Why do all my friends now want to be your lovers? Your family got bigger when they thought you were rich And now like maniacs they scratch your back Even when it doesn't itch I want to figure it all, I want to figure it all out I want to save you from Save you from all the pain Save you from the things that cause us pain 'Cause it's an animal city It's a cannibal world So be obedient, don't argue Some are ready to fight you It's an animal city It's a cannibal world So be obedient, don't argue Some are ready to fight you, my love They believe you now have everything you wanted And once you have become a star, you got no right to bitch But someday when you fail, they'll put you on sale And buy you by the inch But you're the real deal and Real is your middle name You know sometimes I feel I gotta earn every breath you take Baby, never mind the rules we break 'Cause it's an animal city

It's a cannibal world
So be obedient, don't argue
Some are ready to bite you
It's an animal city
It's a cannibal world
So be obedient, don't argue
Some are ready to rip you right off
With you I feel safe, there's nothing to fear from us
Away from the fangs, the fangs of the world
I may be a coward but you are brave
And nothing seems so dangerous

'Cause it's an animal city
It's a cannibal world
So be obedient, don't argue
Some are ready to bite you
It's an animal city
It's a cannibal world
So be obedient, don't argue
Some are ready to rip you right off
Cannibal world
Cannibal world
Cannibal world
Cannibal world
So be obedient, don't argue
Some are ready to bite you
My love
