

# Good Night (Plain Pat Remix)

Kanye West

I'm not sure anymore-more  
Who is knocking at my door-door  
All the faces that I know  
Ja make them so sunny and true I don't wanna say goodbye to you  
So I'll just say good night to you  
My people, no goodbyes to you  
I'm just gonna say good night Right now I can see it so vivid  
Like it was just yesterday like I could relive it  
Me and my grandparents on a field trid-ip  
And I'm the little kid tryna touch the exhibits  
But it'll fade before I get to get a hold of that  
Man I wish I could stop time like a photograph  
Every joke that they told I'd know to laugh  
Man, man I wouldn't let a moment pass  
What do it mean when you dream that you fallin'  
What do it mean when you dream that you ballin'  
What do it mean when you never dream at all then  
And you don't really know cause you can't recall them  
It's sorta fly you get a chance to say hi to  
People you never got a chance to say bye to  
Maybe you could pull em up outta your dreams  
Into real life, if you try to  
So close, but so far  
And so far, no cigar  
We can't dwell on the past all we got is today  
So I'm a live like there's no tomorrow  
No goodbye I don't wanna say goodbye to you  
So I'll just say good night to you  
My people, no goodbyes to you  
I'm just gonna say good night Uh, to you  
If I part my heart will live through you  
Dream beautiful and unusual  
Wake up like everyday new to you  
Stay true to you, a hood musical  
My art will live through you  
Dream beautiful and unusual  
Wake up like everyday new to you  
Stay true to you, a hood musical I don't wanna say goodbye to you  
So I'll just say good night to you

My people, no goodbyes to you  
I'm just gonna say good night I'm not sure anymore-more  
Who is knocking at my door-door  
All the faces that I know  
Ja make them so sunny and true I'm not sure anymore-more  
Who is knocking at my door-door  
All the faces that I know  
Ja make them so sunny and true I'm not sure anymore-more  
Who is knocking at my door-door  
All the faces that I know  
Ja make them so sunny and true
