In the Summertime

Thirsty Merc

I don't have a job
I never liked them
I just wanna play in the sunshineThey say I was wrong
But I know better
I live my life like I'm dyingGimme a chance
I'll do my best to kick and scream and dance
When winter comes I'll turn aroundTake me back to the sweet times
The happy nights
Everything is gonna be alright
In the summertime
Baby, in the summertime
And even if I have to wait til next year
I don't care
All I know is that I'll meet you there
In the summertime
Baby, in the summertime
That is where I'll beI can't complain
'Cos I'm still breathing
There's nobody breathing down my neck nowGimme a go
Like an open furnace setting fire to snow
When winter comes I'll ask the crowdTo take me back to the sweet times
The happy nights
Everything is gonna be alright
In the summertime
Baby, in the summertime
And even if I have to wait til next year
I don't care
All I know is that I'll meet you there
In the summertime
Baby, in the summertime
That is where I'll beSo let me run
I'll dream until my head weighs 16 tonnes
And when I wake sometime in June
I'll sayTake me back to the sweet times
The happy nights
Everything is gonna be alright
In the summertime
Baby, in the summertime
And even if I have to wait til next year

I don't care
All I know is that I'll meet you there
In the summertime
Baby, in the summertimeTake me back to the sweet times
The hot nights
Everything is gonna be alright
In the summertime
Baby, in the summertime
And even if I have to wait til next year
I don't care
All I know is that I'll meet you there
In the summertime
Baby, in the summertime
Baby, in the summertime
Baby, in the summertime
That is where I'll be
