

# In the Summertime

## Thirsty Merc

I don't have a job  
I never liked them  
I just wanna play in the sunshine They say I was wrong  
But I know better  
I live my life like I'm dying Gimme a chance  
I'll do my best to kick and scream and dance  
When winter comes I'll turn around Take me back to the sweet times  
The happy nights  
Everything is gonna be alright  
In the summertime  
Baby, in the summertime  
And even if I have to wait til next year  
I don't care  
All I know is that I'll meet you there  
In the summertime  
Baby, in the summertime  
That is where I'll be I can't complain  
'Cos I'm still breathing  
There's nobody breathing down my neck now Gimme a go  
Like an open furnace setting fire to snow  
When winter comes I'll ask the crowd To take me back to the sweet times  
The happy nights  
Everything is gonna be alright  
In the summertime  
Baby, in the summertime  
And even if I have to wait til next year  
I don't care  
All I know is that I'll meet you there  
In the summertime  
Baby, in the summertime  
That is where I'll be So let me run  
I'll dream until my head weighs 16 tonnes  
And when I wake sometime in June  
I'll say Take me back to the sweet times  
The happy nights  
Everything is gonna be alright  
In the summertime  
Baby, in the summertime  
And even if I have to wait til next year

I don't care  
All I know is that I'll meet you there  
In the summertime  
Baby, in the summertime Take me back to the sweet times  
The hot nights  
Everything is gonna be alright  
In the summertime  
Baby, in the summertime  
And even if I have to wait til next year  
I don't care  
All I know is that I'll meet you there  
In the summertime  
Baby, in the summertime  
Baby, in the summertime  
Baby, in the summertime  
That is where I'll be
