

# I've Been Wrong Before

H.P. Lovecraft

The night we met  
The night that I won't forget  
You see what I've been waiting for  
But, baby, I've been wrong before  
    You held me tight  
    And everything seemed alright  
    I couldn't ask for more  
But, baby, I've been wrong beforeShe used to smile at me  
    And hold my hand like you do  
    Then she left me  
And broke my heart in twoSee your face  
    Empty your warm embrace  
    You're all that I adore  
But, baby, I've been wrong before
