This experiment, I wanna see how loud you can scream

I fill your biggest dreams in room 8-16[chorus 4x][mia x]  
It's goin' down room 7-3-0, at 7:30  
I play the game boy, low-down and dirty, you heard me  
This nigga told me to bring my girls, but I ain't got no friends  
Instead my head I'm goin' solo for dough though and jackin' ends  
He think he gettin nasty, he gon' be assed out

I gets my shine on diamond studded pussy decor  
And rhyme bitch ass line go fuck a storm door[magic]  
Now baby girl, I got a 8:30 flight  
So uhh, if this is goin' down, it's gotta happen tonight  
And baby doll, don't fight (don't fight) it's kinda tight  
Look, you know what I like, aight  
I'm a soldier, you probly knew that, so were your crew at  
Me and my niggas wanna see how y'all hoes do that  
I'm tryin' to do something, he tryin' to  
Were they at boo, say you, you tryin' to do something too?[chorus]
