

# The Outside

Taylor Swift

I didn't know what I would find  
When I went looking for a reason, I know  
I didn't read between the lines  
And, baby, I've got nowhere to go I tried to take the road less traveled by  
But nothing seems to work the first few times  
Am I right? So how can I ever try to be better?  
Nobody ever lets me in  
I can still see you, this ain't the best view  
On the outside looking in I've been to a lot of lonely places  
I've never been on the outside You saw me there, but never knew  
That I would give it all up to be  
A part of this, a part of you  
And now it's all too late so you see You could've helped if you had wanted to  
But no one notices until it's too  
Late to do anything How can I ever try to be better?  
Nobody ever lets me in  
I can still see you, this ain't the best view  
On the outside looking in I've been a lot of lonely places  
I've never been on the outside Oh, yeah How can I ever try to be better?  
Nobody ever lets me in  
And I can still see you, this ain't the best view  
On the outside looking in I've been a lot of lonely places  
I've never been on the outside
