

# Change of Coast

## Neon Indian

You, never knew me at all now did you?  
A-A-All the details, I drink to it, oh oh why so true  
I don't know, I don't know if it's any different from before  
And I don't know, I don't know, if you got what you were looking for  
change of coast, change of heart  
and I, I knew it from the start  
you gonna change your heart  
a change of coast, a change of heart  
and I, I knew it from the start  
you will change your heart  
through, every little low he gave another chance too  
you got sunlight  
and you got two open eyes and whatever's left  
I don't know, I don't know, it's all you've ever spoken of  
so you had to go, you had to go and find whatever show you were  
a change of coast, change of heart  
and I, I knew it from the start  
you gonna change your heart  
change of coast, change of heart  
and I, I knew it from the start  
you gonna change your heart  
change of coast, change of heart  
and I, I knew it from the start  
you gonna change your heart  
change of coast, change of heart  
and I, I knew it from the start  
you gonna change your heart
