Let the Music Play

Shannon

We started dancing
And love put us into a groove
As soon as we started to moveThe music played while our bodies
Displayed through the dance
Then love picked us out for romanceI thought it was clear
The plan was we would share this feeling
Just between ourselvesBut when the music changed
The plan was re-arranged
He went to dance with someone elseWe started dancing
And love put us into a groove
But now he's with somebody new
What does love want me to doLove said
Let the music play
Let the music play
He won't get awayHe tried pretending
A dance is just a dance but I see
He's dancing his way back to meGuess he's discovered
We are truly lovers
Magic from the very start'Cause love just kept me groovin'
And he felt me movin'
Even though we danced apartSo we started dancing
And love put us into the groove
As soon as we started to move
As soon as we started to moveLove said
Let the music play
He won't get away
Just keep the groove
And then he'll come back to you again
(Let it play)Let the music play
He won't get away
This groove he can't ignore
He won't leave you anymore
(No, no, no)Let the music
Just keep the groove
Let the music
This groove we can't ignore anymore, anymoreLet the music
He'll come back to you
Yeah, yeah
No, no, no
