

# Oh My Lord

## Ringo Starr

Ringo Starr  
Oh My LordHelp me Lord  
Help me Lord  
I need your love so badOh my Lord  
Oh my Lord  
I need your love so badWhen I'm in darkness  
And full of fear  
I know the answer  
When you are hereNow I believe  
It's all become clearOh my Lord  
Oh my Lord  
I need your love so badWhen my heart is wondering (my heart is wondering)  
Hopeless and sad  
I look for the answers (I look for the answers)  
The ones that you haveI have to let go  
To be in your handsOh my Lord  
Oh my Lord  
I need your love so badThe sky is blue  
Because of you  
You're everywhere (everywhere)  
With peace and love (peace and love)  
You rise above  
And find you there (and find you there)Of all that's uncertain  
After all I've been through  
The one thing that's certain  
That I know is true  
Love that we need  
It all comes from youOh my Lord  
Oh my Lord  
I need your love so bad
