Crime Spree - Masked Intruder

You and me, we gotta find a way, to get out of here.

It doesn't really even matter where we go!

We can steal a car and it's cigarettes, and a case of beer.

Boost a car and hit the open road!

So let's go, on a crime spree together!

We can do, whatever we want, whenever!

Two lovers against the law, living on a ferry, we won't get caught!

So come one, come on!

You and me, we gotta stop believin' in the foreign old past.

Laws that were made will be broken anyway.

So let's dance to the rhythm of the heartbeat beating in our chests.

Get a couple of guns and seize the day!

'Cause you will only get some living chances in life!

All alone it's just no way to be!

And I'll only feel hope when you're holding me tight!

So let's hope of the world, you and me!

Yeah you and me!

Let's go, on a crime spree together!

We can do, whatever we want, whenever!

Two lovers against the law, living on a ferry, we won't get caught!

So come one, (come on!) come on (come on!)!

Let's go!

On a crime spree together!
