

Please Dont Make Me Cry

UB40

Please Don't Make Me Cry
You say you are going to leave me
I'm begging you to stay
My baby I can't get through any way
No I can't
And when I wake up in the morning
You are gone
Little pretty thing
You know I'll be all aloneChorus
You'll hear me crying (mmmmmmm)
Please don't make me cry (mmm mmmm)
'cos I can't say good-bye (mmmmm)
Please don't make me cry
Because I know
There will be nothing left for meAll them good good times
We spent together
You said it was me and no other (yeah)
And now you want to make me pain inside
Darlin' I Know you are going to make me cryChorus
You'll hear me etc
All this pain I can't stand it
You're going to leave
You're going to leave this poor man on his own
Yes you are (mmmmm)
