

Rattlesnake Shake

Aerosmith

Well, if you wanna rock
I got to be your rockin' horse
If you want to roll, lord
I could roll you
Right out the door, yes I could
We'll shake the world, yeah
When it's time to crash
But when I get home tonight, lord
I guess I got to shake myself lookie here
You need some lovin'
You must have the blues
You fucked your mind baby
It's a good thing to do
Now do the shake
The rattlesnake shake
Now do the shake
Yes, chuck away 'dem blues
Chuck dem blues
You need some lovin', you must have the blues
You fucked your mind baby
It's a good thing to do
Do the shake, oh
The rattlesnake shake
Now do the shake, yeah
Chuck away, chuck away
chuck, chuck, chuck, chuck --> yakakakaw
