

So Far Away

Avenged Sevenfold

Never feared for anything, never shamed but never free
A light that healed a broken heart with all that it could
Lived a life so endlessly, saw beyond what others see
I tried to heal your broken heart with all that I could
Will you stay? Will you stay away forever? How do I live without the ones I love?
Time still turns the pages of the book its burned
Place and time always on my mind
I have so much to say but you're so far away Plans of what our futures hold, foolish lies of growing old
It seems we're so invincible, the truth is so cold
A final song, a last request, a perfect chapter laid to rest
Now and then I try to find a place in my mind
Where you can stay, you can stay awake forever How do I live without the ones I love?
Time still turns the pages of the book its burned
Place and time always on my mind
I have so much to say but you're so far away Sleep tight, I'm not afraid
The ones that we love are here with me
Lay away a place for me
'Cause as soon as I'm done I'll be on my way
To live eternally How do I live without the ones I love?
Time still turns the pages of the book its burned
Place and time always on my mind
And the light you left remains but it's so hard to stay
When I have so much to say and you're so far away I love you, you were ready
The pain is strong enough despise
But I'll see you when he lets me
Your pain is gone, your hands are tied So far away and I need you to know
So far away and I need you to, need you to know
