

# Wolf Among Wolves

## Bonnie "Prince" Billy

She loves a soul  
That I've never been  
A dog among dogs  
A man among menAnd every day  
When I come home to her  
She holds a phantom  
She kisses and she hugs himAnd I am not  
Averse to how she loves him  
Why must I live and walk?  
Unloved as what I amWhy can't I be loved as what I am  
A wolf among wolves and not as a man among menShe craves a home that she can go in  
A sheltered cave that I have never seen  
Not in my life  
And not even in my dreamsWhy can't I be loved as what I am  
A wolf among wolves and not as a man among men
