Oh Carol

The Four Seasons

Oh ! Carol, I am but a fool,
Darling I love you though you treat me cruel,
You hurt me and you made me cry
But if you leave me I will surely die.Darling there will never be another
Cause I love you so,
don't ever leave me,
Say you'll never go
I will always want you for my sweetheart
No matter what you do
Oh! Carol, I'm so in love with you.Oh, Carol
Darling
