"Starlight"

Zella Day

Far away
This ship is taking me far away
Far away from my memories
Of the people who care if I live or dieStarlight
I will be chasing your starlight
Until the end of my life
I don't know if it's worth it anymoreHold you in my arms
I just wanted to hold you in my armsMy life
You electrify my life
Let's conspire to re-ignite
All the souls that would die just to feel aliveI'll never let you go
If you promise not to fade away, never fade awayOur hopes and expectations
Black holes & revelations
And our hopes and expectations
Black holes & revelationsHold you in my arms
I just wanted to hold you in my armsFar away
This ship is taking me far away
Far away from the memories
Of the people who care if I live or dieI'll never let you go
If you promise not to fade away, never fade awayOur hopes and expectations
Black holes & revelations, yeah
Our hopes and expectations
Black holes & revelationsHold you in my arms
I just wanted to hold you in my arms
I just wanted to hold
