## ì—•ì•†~ì—•ì•' (AOA)

Somewhere in the smoke and light  
Oh the king he sings of Heaven  
Oh yes he believes there is a paradise  
And a band is playing thereThere is a black car waiting somewhere outside  
Filled with lovely ladies for celebration  
He wipes the tears from his eyes  
For all his lonely lovemakingOh babe. Whenever will you love me?
