

Blues With a Feeling

[Elvin Bishop](#)

Blues with a feeling
That's what I have today
Blues with a feeling
That's what I have today
I've got to find my baby
If it takes all night and day
What a lonesome feeling
When you buy yourself
What a lonesome feeling
When you buy yourself
Yes the one that loved me
Has gone off with someone else
You know I love you baby
Wonder the reason why
Gonna left me baby, left be here to cry
Blues with a feeling
That's what I have today
I've got to find my baby
If it takes all night and day
What a lonesome feeling
When you buy yourself
What a lonesome feeling
When you buy yourself
Yes the one that loved me
Has gone off with someone else
Well you know I love you baby
Wonder the reason why
Gonna left me baby, left me here to cry
Blues with a feeling
That's what I have today
I've got to find my baby
If it takes all night and day
