Show Me Life

Addison Road

Goin' on my way,
Packin' up today,
I can't live a life with this way of thinkin'
'Cause I know what's right,
I'm gonna leave tonight,
and put all the past behind me
Chorus
Show me life,bigger than I know I wanna feel more than alive
Show me love,beautiful and true,change the old to new inside
Show me life,Yeah yeah yeah ye-aah
Can i fall apart ?
right into your arms,
open my eyes to the road that leads beyond my heart..Oh
Chorus
Show me life,bigger than I know I wanna feel more than alive
Show me love,beautiful and true,change the old to new inside
Show me life,show me li-iiiife
Goin' on my way,
Packin' up today,
Can I fall apart and let go in your arms
Chorus
Show me
life bigger than I know I wanna feel more than alive
Show me love,beautiful and true,change the old to new inside
Show me life,bigger than I know I wanna feel more than alive
Show me love,beautiful and true,change the old to new inside
Show me life,Show me life,Yeah yeah yeah ye-aah
yeah yeah ye-aah,yeah yeah ye-aah
Show me li-iife
