Youth

Glass Animals

Boy, when I left you, you were young
I was gone, but not my love
You were clearly meant for more
Than a life lost in the warI want you to be happy
Free to run, get dizzy on caffeine
Funny friends that make you laugh
And maybe you're just a little bit dappyFly
Feel your mother at your side
Don't you know you got my eyes
I'll make you fly
You'll be happy all the time
I know you can make it rightBoy, now your life is back-to-front
But you'll see that's not for long
'Cause I know you'll feel the ghost
Of some memories so warmBoy, I want you to be happy
Free to run, get dizzy on caffeine
Funny friends that make you laugh
And maybe you're just a little bit dappyFly
Feel your mother at your side
Don't you know you got my eyes
I'll make you fly
You'll be happy all the time
I know you can make it rightBoy, I want you to be happy
Free to run, get dizzy on caffeine
Funny friends that make you laugh
And maybe you're just a little bit dappyFly
Feel your mother at your side
Don't you know you got my eyes
I'll make you fly
You'll be happy all the time
I know you can make it right
I'll make youBoy, I want you to be happy
Free to run, get dizzy on caffeine
Funny friends that make you laugh
And maybe you're just a little bit
