

Jane Doe #1

Nemhain

Go with the flow where the river's red and I, can't get you, get you out of my head
where the flesh is weak and my will is strong, no my love, it can't be wrongJane Doe, Death row, immortalized
immortalized
Rose tattoo, eyes so blue, lacerated, mutilated
Switchblade, unmade, I'm addicted, I'm afflicted
Black hair, dead stare, masturbated, so wastedCan't get you out of my head (I'm addicted) go where I'm easily
led (I'm addicted) oh Jane Doe!Jane Doe, Freak show, all alone yeah, all alone here
black eyes, white thighs, I retain you, I restrain you
tied down, legs bound, gonna to drain you, oh to drain you
drain you, I'm through, gonna drain, gonna drain youIn love with your Razor blade smile (Lacerated) just while
I'm killing time (Mutilated) oh Jane DoeGo with the flow where the river's red and I, can't get you, get you 'out
of my head
where the flesh is weak and my will is strong, no my love, it can't be wrongCan't get you out of my head (I'm
addicted) go where I'm easily led (I'm addicted)
In love with your Razor blade smile (Lacerated) just while I'm killing time (Mutilated) oh Jane Doe
