

# Out ta Get Me

## Guns N' Roses

Been hidin' out and layin' low  
It's nothin' new to me  
Well you can always find a place to go  
If you can keep your sanity They break down the doors  
They rape my rights but  
They won't touch me They scream and yell  
And fight all night  
You can tell me I lose my head  
I close my eyes  
They won't touch me 'Cause I got somethin'  
I been buildin' up inside  
So fuckin' long They're out ta get me  
They won't catch me  
I'm fuckin' innocent  
They won't break me Sometimes it's easy to forget where you're goin'  
Sometimes it's harder to leave  
And everytime you think you know just what you are doin'  
That's when your troubles exceed They push me in a corner  
Just to get me to fight but  
They won't touch me They preach and yell  
And fight all night  
You can't tell me I lose my head  
I close my eyes  
They won't touch me 'Cause I got somethin'  
I been buildin' up inside  
I'm already gone They're out ta get me  
They won't catch me  
I'm fuckin' innocent  
They won't break me Some people got a chip on their shoulder  
An' some would say it was me  
But I didn't buy that fifth of whiskey that you gave me  
So I'd be quick to disagree They out ta get me  
They won't catch me  
I'm fuckin' innocent  
They won't break me They out ta get me  
They won't catch me  
I'm fuckin' innocent  
So you can suck me  
Take that one to heart
