

# I'm Coming Home

## The Spinners

Sittin' in a railway station with my suitcase in my hand  
Goin' back where I came from, I've had more than I can stand  
Of watchin' men destroy my dreams, they picked my brain 'till it was clean  
When I was up they knocked me down  
I ain't goin' to hand around, I'm goin' home, yes I am (Goin' home) won't you understand, why doncha?  
Tell someone to meet me, I'm comin' home  
(Tell someone to meet me) why doncha? Came to this old town seeking fortune and some fame  
I never got the chance to prove myself, though I tried to play their game  
Usin' people just ain't my thing and I won't dangle from any string  
To please some fool that don't care about  
They turned me inside out, I'm goin' home Back to back you know (I'm goin' home) I got it you know too  
I know what's I'm gonna do, I'll tell someone to meet me  
Goin' home, yes I am, will ya meet me  
(Tell someone to meet me home) when you're down and out, hey hey I gotta admit it,  
I'm really not ashamed,  
Of half the things I said And I don't want nobody  
Tryin' to show me pity  
'Cause I've had more than I can stand  
And better woman I'll be a better man  
I can rearrange my life  
Might even find me a pretty wife, hey hey hey (home)  
Won'tcha wait for me Starts, begins groovin' (Comin' home)  
Oh, lord have mercy, try to be, try to be a good man  
Gonna (I'm gonna tell someone to meet me) try to get me somethin' together, I'm goin' home  
Yes I am, hey hey hey (Tell someone to meet me) why doncha? Why doncha? Why doncha?  
(Tell someone to meet me) well, why doncha?  
(Tell someone to meet me) oh, hey! It was gonna get steady, but I came to the city  
Livin' in a cold life place for the nothin' hey! You know I gotta get back out  
Ain't used to livin' like that see  
It's been a long time  
Since I felt like a real man  
Heh heh Comin' to the city,  
Hey, you have the wrong thing Have my things on my back  
I'm goin' back where I came from  
Yeah, 'cause don't nobody really care about you, ain't having no fun
