Soul Addiction (Post-Hardcore.COM)

Sylar

It's 3 A.M. and I woke up screaming from that dream again
The same dream that has been haunting me for days
I'm dreaming where you were in my hands again
Together, together we were so strong
I'm so weak, I'm so weak
Is there something I've been missing?
Tell me what's the difference if you're gone?
'Cause you know that I'm addicted
Know that I'm addicted to your soul, soul
Only time will do what's right
I'll pray I'm wrong
I know I was the one that broke the promises
(Pushing you out 'cause I wouldn't take the blame)
I was acting up because I knew it wasn't you
(Full of regret, my heart is calling your name)
Every single life ain't always what it seems
(Rewind, erase, just goin' to do it again)
This is what it was to live just where I can be
(I can't sustrain that's why I'm numbin' the pain)
Never just fun
Was it why I'm here?
Dream to laugh again
Is there something I've been missing?
Tell me what's the difference if you're gone?
'Cause you know that I'm addicted
Know that I'm addicted to your soul, soul
Only time will do what's right
I'll pray I'm wrong
I had you and I let you slip
I had you and I let you slip away
Slip away, slip away, slip away
Slip away, slip away, slip away
Never just fun
Was it why I'm here?
Dream to laugh again
Is there something I've been missing?
Tell me what's the difference if you're gone?
'Cause you know that I'm addicted
Know that I'm addicted to your soul, soul

Only time will do what's right
I'll pray that I'm wrong
