

# Too Late Now

[Alice Martineau](#)

Too late now to forget your smile  
The way we cling when we danced awhile  
Too late now to forget and  
Go on to someone new Too late now to forget your voice  
The way one word makes my heart rejoice  
Too late now to imagine  
Myself away from you All the things we've done together  
I relive when we're apart  
All the tender fun together  
Stays on in my heart How could I ever close the door  
And be the same as I was before?  
Darling, no, no I can't anymore  
It's too late now All the things we have done together  
I relive when we're apart  
All the tender fun together  
Stays on in my heart How could I ever close the door  
And be the same as I was before?  
Darling, no, no I can't anymore  
It's too late now Too late now
