# Love and Mercy

## Libera

I was sitting in a crummy movie
with my hands on my chin
all that violence that occurs
seems like we never winLove and mercy are
what you need tonight
Oh, love and mercy to
you and your friends tonightI was lying in my room
and the news came on TV
There's a lot of people out there hurting
and it really scares meLove and mercy are
what you need tonight
Oh, love and mercy to
you and your friends tonightI was standing in the bar
and watching all the people there
All the loneliness in this world
It's just not fairOohh, oohh..Oh, love and mercy are
what you need tonight
Oh, love and mercy to
you and your friends tonightOh, Love and mercy are
what you need tonight
Oh, love and mercy to
you and your friends tonightdooh, dooh..Mercy and love
