

Love and Mercy

Libera

I was sitting in a crummy movie
with my hands on my chin
all that violence that occurs
seems like we never win
Love and mercy are
what you need tonight
Oh, love and mercy to
you and your friends tonight
I was lying in my room
and the news came on TV
There's a lot of people out there hurting
and it really scares me
Love and mercy are
what you need tonight
Oh, love and mercy to
you and your friends tonight
I was standing in the bar
and watching all the people there
All the loneliness in this world
It's just not fair
Oohh, oohh..
Oh, love and mercy are
what you need tonight
Oh, love and mercy to
you and your friends tonight
Oh, Love and mercy are
what you need tonight
Oh, love and mercy to
you and your friends tonight
dooh, dooh..
Mercy and love
