Hold Me Now

Thompson Twins

I have a picture pinned to my wall
An image of you and of me and we're laughing, we're loving it all
Look at our life now, tattered and torn
We fuss and we fight and delight in the tears that we cry until dawnHold me now, warm my heart
Stay with me, let loving start, let loving start
Hold me now, warm my heart
Stay with me, let loving start, let loving startYou say I'm a dreamer, we're two of a kind
Both of us searching for some perfect world, we know we'll never find
So perhaps I should leave here, yeah, yeah go far away
But you know that there's no where that I'd rather be
Than with you here todayHold me now, warm my heart
Stay with me, let loving start, let loving start
Hold me now, warm my heart
Stay with me, let loving start, let loving startYou ask if I love you, well what can I say?
You know that I do and that this is just one of those games that we play
So I'll sing you a new song, please don't cry anymore
And then I'll ask your forgiveness though I don't know
Just what I'm asking it forHold me now (in your lovin' arms), warm my heart (Oh my cold and tired heart)
Stay with me (Come on and stay with me), let loving start, let loving start
Hold me now (in your lovin' arms), warm my heart (Oh my cold and tired heart)
Stay with me (come on and stay with me), let loving start, let loving start
