

# Shut Up and Play (Live in Cleveland, OH)

## My Chemical Romance

Shut Up and Play: Another sad song, with nothing to say  
About a life-long wait for a hospital stay  
If you believe that I'm wrong  
This never meant nothing to you I waited so long for someone to say  
If you can move on  
I'll never get you to stay  
If you believe that I'm wrong  
This never meant nothing to you Another sad song, with nothing to say  
About a life-long, wait for a hospital stay  
If you believe that I'm wrong  
This never meant nothing to you And if you hold on  
And need me to stay  
You get the hard thoughts  
Oh baby just the mistakes  
Maybe we'll just  
Shut up and play  
It never did mean nothing to you  
Never did mean ... Another sad song, with nothing to say  
About a life-long, wait for a hospital stay  
If you believe that I'm wrong  
This never meant nothing to you If you would hold on  
And get me to stay  
You get the hard thoughts  
Oh baby just the mistakes  
We never really got too much anyways  
Yeah, yeah, yeah, just go Just go, run away  
Where did you run  
Don't fight it just run away  
Let it go...  
And when you go, run don't walk  
And when you sing, scream don't talk  
Why won't you die Another sad song, with nothing to say  
About a life-long  
wait for a hospital stay  
We never really got too much anyways Another sad song with nothing to say  
About a life-long, wait for a hospital stay  
maybe we'll just shut up and play  
no you never really got it

no you never really got it, at all
