Perfect

Darin

The way you kind of sing out of tune
And how you make me feel when I'm with you
You never getting what you say
You do your things your own way
The way your life's such a mess
Colors they don't match when you dress
The way you laugh at yourself
That could never be no one else
You're perfect
Don't change a thing
You're perfect
You're everything I need
I like the way you're not
Typical, usual, superficial visual
Just the way you are
You're perfect
The funny little style you dance
The silly way you pose to photographs
It doesn't matter what they say
'Cause you like all the attention anyway
Out by the pool, the party's getting hot
You are the first to take your clothes off
The way you play, you rock my whole world
For me there's only really one girl
You're perfect
Don't change a thing
You're perfect
You're everything I need
I like the way you're not

Typical, usual, superficial visual
Just the way you are
You're perfect
So untraditional, one of a kind
Perfectly perfect and you're mine
A little bit crazy
But you're so amazing
You're perfect
Don't change a thing

You're perfect
You're everything I need
I like the way you're not
Typical, usual, superficial visual
Just the way you are
Oh, oh, oh
Don't change a thing
You're everything I need
I like the way you're not
Typical, usual, superficial visual
Just the way you are
You're perfect
Don't change a thing
You're perfect
You're everything I need
I like the way you're not
Typical, usual, superficial visual
Just the way you are
You're perfect
