A Night To Remember

Foreigner

I can't sleep tonight
I won't sleep tomorrow
I'm goin deep and tight
I don't need no excuse
I feel mean tonight
One-eyed jacks and aces
Read 'em and weep tonight
I'm gonna let all hell break loose
I want drums like thunder
Gimme guitars that scream
One woman who could shake me
Yeah, be my love machine
I need a love machine
To keep my motor running
Upon the big wide screen
I wanna see it all
Yeah, we'll be lean and mean
We'll be synchronized together
Me and my love machine
And we're gonna do it all
Let me test ya
I want drums like thunder
Gimme guitars that scream
One woman who can rock me
Yeah, my little love machine
We're gonna make tonight
A night to remember
We're going hard and strong
Again and again
Yeah, we're gonna make tonight
A night to remember
Yeah, we're gonna take tonight
Right to the end
I need drums like thunder
Gimme guitars that scream
One woman who can rock me
I need a love machine
We gonna make tonight
A night to remember

We're goin' hard and strong
Again and again
Yeah, we're gonna make tonight
A night to remember
Yeah, we're goin' for a night
A night without end, ooh
We gonna make tonight
A night to remember
We're goin' hard and strong
Again and again
We're gonna make tonight
A night to remember
Yeah, we're gonna take tonight
Right to the end
