

# I Know How The River Feels

[Ty Herndon](#)

They Say For Everyone There's That Certain Someone  
Out There, Somewhere  
I'd Been Looking Hard, Getting Nowhere  
Didn't Know I Was Making My Way To You Now I Know How The River Feels When It Reaches The Sea  
And Finally Finds A Place It Was Always Meant To Be  
Holding Fast, Home At Last, Knowing The Journey's Through  
Lying Here With You, I Know How The River Feels  
Miles Of Lonliness Now Make Perfect Sense Here Beside You  
Tears Like Water Falls, They Were Worth Them All Just To Find You  
And These Are The Last Arms I'll Run To Now I Know How The River Feels When It Reaches The Sea  
And Finally Finds A Place It Was Always Meant To Be  
Holding Fast, Home At Last, Knowing The Journey's Through  
Lying Here With You, I Know How The River Feels
