

# Life By The Drop

[Stevie Ray Vaughan](#)

Hello there, my old friend  
Not so long ago it was 'til the end  
We played outside in the pouring rain  
On our way up the road, we started over again You're living a dream as though you're on top  
My mind is aching, Lord, it won't stop  
That's how it happens living life by the drop Up and down that road in our worn out shoes  
Talking 'bout good thangs and signing the blues  
You went your way and I stayed behind  
We both knew it was just a matter of time Living a dream as though you're on top  
My mind is aching, Lord, it won't stop  
That's how it happens living life by the drop No waste of time, we're alive today  
Turning up the past, there's no easier way  
Time's been between us, a means to an end  
God, it's good to be here walking together, my friend Living a dream, my mind starts thinking  
That's how it happens living life by the drop  
That's how it happens living life by the drop  
That's how it happens living life by the drop
