

Hey Princess (With Lyrics)

Allstar Weekend

Hey Princess
In a white dress
Chuck Taylor's
Got me obsessed
Wanna see you,
So where can we hang out? Hey Princess
In a contest
You're the queen
And you own the rest
Someday we're gonna
Take the crown Let's go, let go!
Hold on to me oh, oh!
Let's go,
I'mma let you know
I'll be the one to storm in the castle
We'll be the two of hearts beating faster
Everyone, everyone, now
I'll be the one
That makes you adore me
We'll be the two
The two and the story
The one that I want
The one that I want, I found
It is your kiss,
Hey Princess! Hey Princess
Be my guest
Chase you around, no regrets
If I catch you I'll never let you down Let's go, let go
Hold on to me oh, oh
Let's go, I'mma let you know
I'll be the one to storm in the castle
We'll be the two of hearts beating faster
Everyone, everyone, now
I'll be the one
That makes you adore me
We'll be the two
The two and the story
The one that I want
The one that I want, I found

It's your kiss,
Hey Princess! What if all the stars align
Could I ever make you mine
When the movie ends, we can be the ever after
You, and I'm just a boy and you're Cinderella
Still white and blue jeans
I'm gonna tell you
Whatever you want, whatever you want, I'm down I'll be the one
That makes you adore me
We'll be the two
The two and the story
The one that I want
The one that I want, I found
I'll be the one to storm in the castle
We'll be the two of hearts beating faster
Everyone, everyone, now
I'll be the one
That makes you adore me
We'll be the two
The two and the story
The one that I want
The one that I want, I found
It's your kiss,
Hey Princess!
