

# All We Know (feat. Phoebe Ryan)

## The Chainsmokers

[Verse 1: Phoebe Ryan and Andrew Taggart]

Fighting flames of fire  
Hang onto burning wires  
We don't care anymore  
Are we fading lovers?  
We keep wasting colors  
Maybe we should let this go [Chorus: Phoebe Ryan]  
We're falling apart, still we hold together  
We've passed the end, so we chase forever  
'Cause this is all we know  
This feeling's all we know  
I'll ride my bike up to the world  
Down the streets right through the city  
I'll go everywhere you go  
From Chicago to the coast  
You tell me, "Hit this and let's go  
Blow the smoke right through the window"  
'Cause this is all we know [Post-Chorus: Phoebe Ryan]

'Cause this is all we know  
'Cause this is all we know  
'Cause this is all we know [Verse 2: Phoebe Ryan and Andrew Taggart]

Never face each other  
One but different covers  
We don't care anymore  
Two hearts still beating  
On with different rhythms  
Maybe we should let this go [Chorus: Phoebe Ryan]  
We're falling apart, still we hold together  
We've passed the end so we chase forever  
'Cause this is all we know  
This feeling's all we know  
I'll ride my bike up to the world  
Down the streets right through the city  
I'll go everywhere you go  
From Chicago to the coast  
You tell me, "Hit this and let's go  
Blow the smoke right through the window"  
'Cause this is all we know [Post-Chorus: Phoebe Ryan]  
'Cause this is all we know

'Cause this is all we know  
'Cause this is all we know
