# Keeping the Faith

## [Lynyrd Skynyrd](#)

Are you a saint then don't be a stranger
Were you sent down from Heaven to show me the way?
And if you ain't then I see a danger
You better take a minute and hear what I've got to say'Cause I'll keep on tryin' to put it straight to you
You better give it straight to me
'Cause most women seem to have a good time
Makin' a fool out of meI'm keepin' my faith, I've made up my mind
I've got nothin' left to lose, just lay it on the line
I'm keepin' my faith, yeah I'll find the one
Who won't steal me blind, who won't turn and runI'm keepin' my faith, I'm trustin' in you
So don't treat me like those other ones do
Ain't no gettin' round it, tell me to my face
Do you think I'm a fool for keepin' my faith in youI'll treat you right, I'll do you better
I won't disappoint you, I won't make you cry
My friends tell me if you let her
She'll empty your pockets, yeah she'll spend you dryBut I'll keep on tryin' to put it straight to you
You better give it straight to me
Most women seem to have a good time
Makin' a fool out of meOh I'll keep on tryin' to put it straight to you
You better give it straight to me
Most women seem to have a good time
Makin' a fool out of meI'm keepin' my faith, I've made up my mind
I've got nothin' left to lose, just lay it on the line
I'm keepin' my faith, yeah I'll find the one
Who won't steal me blind, who won't turn and runI'm keepin' my faith, I'm trustin' in you
So don't treat me like those other ones do
There ain't no gettin' round it, tell me to my face
Do you think I'm a fool for keepin' my faith in you, oh baby, oh
I'm keepin' my faith in you, oh babyKeepin' my faith, I'm keepin' my faith in you
Keepin' my faith, I'm keepin' my faith in you
Keepin' my faith, I'm keepin' my faith in you
Keepin' my faith, I'm keepin' my faith in you
Keepin' my faith
