Rich

Yeah Yeah Yeahs

I'm rich like a hot noise, rich, rich, rich
I'll take you out boy
So stuck up, I'd wish you'd stick in to me
Flesh ripped offTurnin' it, beatin' no beat
The walls are always speakin'
No want, no want
No want, no speakin' at allShe slipped down a rot drink unzipped
She doesn't exist so unloved
I took 'em standin' up
So stuck upI'm rich like a hot noise, rich, rich, rich
I'll take you out boy, I'll take you out boyTurnin' it, beatin' no beat
The walls are always speakin'
No want, no want
No want, no speakin' at allTurnin' it, beatin' no beat
The walls are always speakin'
No want, no want
No want, no speakin' at allRich
Rich
