

# Reach Up

## Cale Sampson

Got to keep moving up  
    For my brother  
Got to keep moving up  
Got to keep moving up  
    For my sister  
Got to keep moving up  
    Keep on reachin?  
Keep on reachin? for the sky  
    Keep on reachin?  
Keep on reachin? for the sky

    Got to keep movin?  
Got to keep movin? up  
    Got to keep movin?  
    For my brother  
Got to keep movin?  
    Got to keep movin?  
    For my sister  
Got to keep movin?  
    Keep on reachin?  
    Keep on reachin? up  
Keep on reachin? for the sky
