Aida

Jenn Grant

Aida, find me, I'm begging you, please
To find a deeper home where you and I, we will be.
Aida, you're my man, the only one understand
Count pen, he's counting sheep, we always dreaming up so big.I can be sure the biggest heart is yours
No matter what they say, my baby finds a way.Aida, you're my guy,
The only one who makes me shine.
Counting pen, he's counting sheep,
We're always dreaming up so big.I can be sure the biggest heart is yours
No matter what they say, my baby finds a way.
Always, always, always.
I can be sure the biggest heart is yours
No matter what they say, my baby finds a way.
I can be sure the biggest heart is yours
No matter what they say, my baby finds a way.
My baby finds a way, my baby finds a way,
My baby finds a way, my baby finds a way,
My baby finds a way, my baby finds a way,
My baby finds a way...
