

# My Girl

## Dylan Scott

She looks so pretty with no makeup on  
U should hear her talkin to her momma on phone  
I luv it when she raps to an Eminem song  
That's my girl  
Man her eyes drive me crazy  
You should see her smile when she holds a baby  
I can honestly say that she saved me  
My girl, Yea  
Chorus:  
Yea that's my girl  
In the passenger seat, windows down dancing around  
Causin' a scene, that's my girl  
Sippin' crown and sprite, in a ball cap turned back  
Ooh she got me like,  
Yea baby girl you gone and done it again  
Makin all the guys wish you were with them  
But I bet they don't see what I see when I see my girlEvery night before she goes to bed  
She hits her knees and bows her head  
Thank the lord for another day  
I just thank him for my girl  
Chorus  
My girl  
Oh My girl  
Yea that's my girl  
My girl  
That's my girl, my girl  
Chorus  
My girl MMMmmmm
